The CAC has many important functions in the world of special education. It is an advisory body to the San Luis Obispo County SELPA Executive Director, assists with parent education, supports activities on behalf of individuals with exceptional needs, forwards pertinent information to local school boards, and provides legislative advocacy for students with disabilities.

SLO CAC is composed of...

- Parents of students with disabilities
- Parents of students in public or private school
- Teachers
- Other school staff
- Agency staff serving people with disabilities
