2026-2027 CAC GOALS AND RESPONSIBILITIES

Goal 1

By June 2027, the CAC will support and facilitate at least two activities or initiatives that strengthen partnership, communication, and outreach between local stakeholders and state-level special education agencies, with measurable outcomes such as attendance, engagement, or follow-up actions.

Goal 2

By June 2027, the CAC will support and facilitate at least three outreach activities—such as informational workshops, parent resource fairs, or community events—designed to increase parent engagement, strengthen connections, and expand access to special education resources, with success measured through attendance, resource distribution, and post-event parent feedback.

Goal 3

By June 2027, the Community Advisory Committee (CAC) will participate in and support at least two recognition initiatives—such as award nominations, appreciation events, or spotlight features—that honor the dedication and contributions of special education professionals within the SELPA, with the goal of strengthening relationships among families, educators, and the community as measured by participant feedback and engagement levels.

Responsibilities

- Provide special education information to families
- Participate in statewide events such as Legislation Day
- Participate in workshops related to special needs/issues
- Attend business meetings open to the public
- Act as a resource person to the community
- Function as a liaison between agencies and families
- Provide input to the Special Education Local Plan
- Serve in an advisory capacity to the SELPA regarding community opinions, concerns, and suggestions about special education and related services to students with disabilities
- Provide public outreach to promote awareness across districts and within one's district
- Develop and participate in disability awareness activities for the community
